

**Members' Hui and AGM
Tuesday 30 October 2018
CQ Hotel
223 Cuba Street, Wellington**

About the Hui

We will start the day with the CNA AGM, which will be followed by the CNA Hui - an informative and fun programme of discussion and presentations.

The Hui is a great opportunity to learn more about key issues affecting the community sector and to connect with others. A key focus for the day is enabling members to learn about each other, make connections and explore opportunities for collaboration.

MC

Benita Jean Tauhuri

I am a proud descendant of Ngai Tuhoe, Ngāti Kahungunu, Brien Boru (last reigning King of Ireland) and also celebrate my English heritage. I bring a special ability to work in the grey space, between the complex world and protocols of the Māori world, and mainstream New Zealand.

As your MC I will guide you through a day of making connections, links and alignment of all that you will see, hear and feel. What an honour it is for me to share space, time and energy with each and every one of you.

Len Cook was Chair of the Board of Superu until it was disestablished by Government on June 30. Previously he was a NZ Government Statistician and UK National Statistician. Len was also a member of the Royal Commission on Social Policy in 1987-88.
